READ—

Government Order No. Fl. 4829-78—S. & A. 16-22-2, dated 18th April 1923, directing that all Travelling Allowance claims for road journeys exceeding 50 miles should be submitted to Government for sanction with a full explanation of the need for such journeys.

ORDER NO. FL. 8704-63—S. & A. 288-28-1, DATED 27TH MAY 1929.

Government are pleased to suspend the operation of the rule embodied in Article 590A, Mysore Service Regulations, which requires the submission to them of all claims for road marches exceeding 50 miles a day and to direct that for such marches of all officers the usual mileage rate be passed only up to 50 miles, three-fourths of the said rate being allowed for the distance in excess of 50 miles.

2. This arrangement will be tentatively in force for a period of one year from 1st June 1929.

3. The need for rapid marches of more than 50 miles should, however, be noted in Travelling Allowance bills for purposes of audit and the Comptroller will be competent under standing orders to refer to Government cases in which rapid marches do not appear to be in the interests of public service and considerations of economy are ignored.
